

If you are a student nurse currently enrolled in a nursing program in Mississippi, you are eligible for membership in MOSA and the benefits of membership.

MOSA provides AD Nursing students of MS the opportunity to collectively work together through statewide community service projects and to come together annually for a state convention. Convention provides an opportunity to recognize Excellence in Nursing as awards and scholarships are granted. Also educational opportunities are outstanding.

Be a member of an organization that represents the past, present and future accomplishments of Associate Degree Nursing! As members and peer elected officers of MOSA, you will have the opportunity to grow professionally, educationally and personally as student nurses networking together.

MOSA's Mission:

This organization strives to promote nursing at the local, state and national levels; to promote & maintain Associate Degree Nursing as the entry level into nursing practice; and to maintain both the Registered Nurse title and the current scope of practice.

Develop a deeper passion for the career that you have chosen! MOSA provides an opportunity to serve as a leader and to become familiar with the RN organization that advocates for Associate Degree Nursing. Being a MOSA member prepares you to be a part of the MS Organization for Associate Degree Nursing upon passing NCLEX-RN®.

MOSA By-laws can be found at <http://www.moadn.org/mosa.php> then click on By-Laws. Your chapter by-laws need to be in compliance with these.

Your chapter organization will have state advisors that will help you and also state MOSA officers. They are available to answer any questions and to visit with your group.
